# NEW LIFE NEWSLETTER

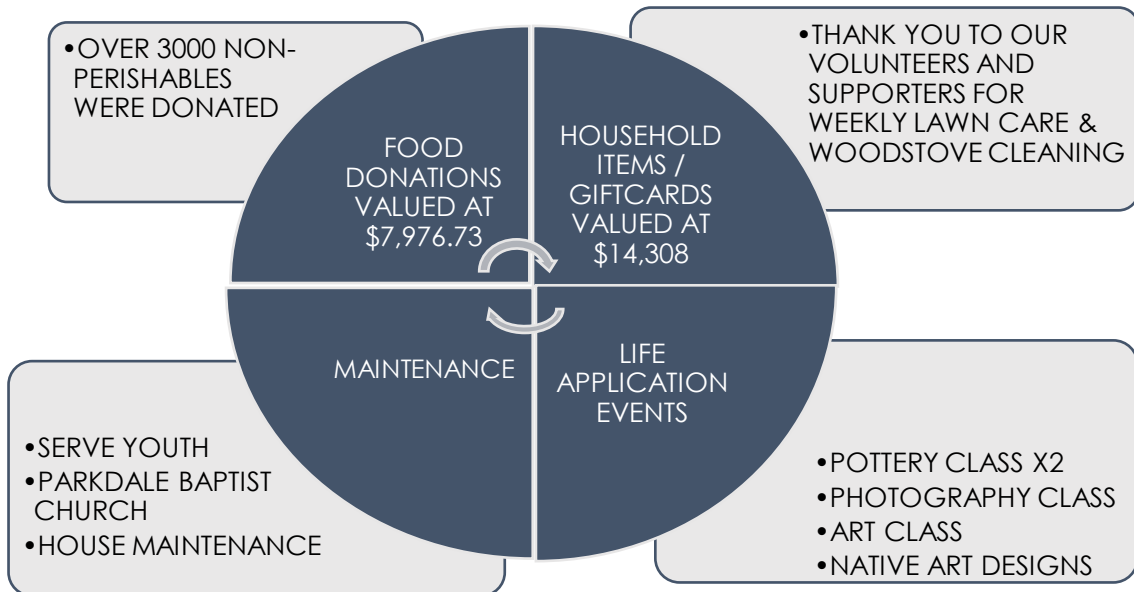

From the desk of Charmaine Kofler.

Hello Friends,

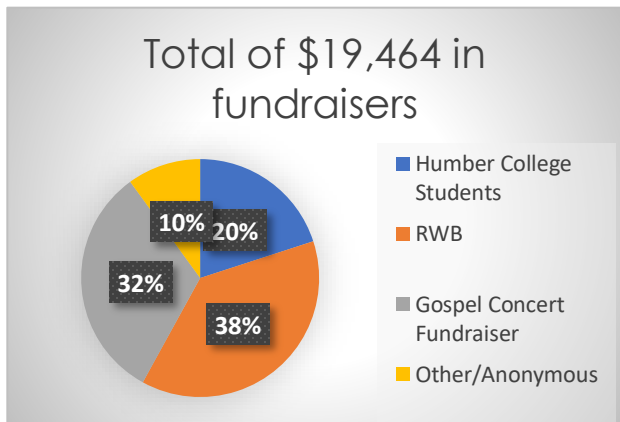

It's after much prayer and my obedience to God's direction for my life that I have made the difficult decision to resign as Executive Director of New Life as of April 21<sup>st</sup> 2017. I am thankful for all of your encouragement and support for the past 13 years which has allowed me to lead the staff and students through life's challenges and obstacles. Although it's never easy to say goodbye, I find peace and comfort in the many wonderful memories I am taking with me. I have shared a unique camaraderie with many of you, which I trust will continue in the years to follow. It is with great excitement that I am able to hand over the reins to Dawn Bailey-Elbourne as the Interim Executive Director. I am confident that coupled with your prayers and blessings this home will continue to flourish under her stewardship.

*Blessings, Charmaine*

**A special thanks to Frankford CRC for heating our Home for over 25 years!**

**MISSION:**

Our mission is to provide a safe place for young women with life controlling problems to experience healing and transformation through the love of Jesus

**VISION:**

Young women facing their past, living in the present, and holding hope for the future

In August of 2016 we were generously donated \$25,000 towards a new vehicle for our Home. We had driven the other 2 vans for 10 years and they were constantly giving us trouble. It was an answer to prayers when a former student's parents blessed us with a brand new 2016 Grand Caravan!
