Dear Friends

Together, we can bring Hope and Transformation to young women who need Healing.

It seems so strange to be writing 2014 already!! Where did the time go? As I embrace my ninth year at New Life, my third as the Executive Director, I stand amazed at the miracles of this humble home in Consecon. It seems that for so long it has been the best kept secret. New Life Girls' home has been helping those in need for twenty five years. I pray for 50 more at least!

As I look back at 2013, I find much to celebrate about New Life Girls' Home and its ministry. We continue to engage in exceptional work with the young women who enter our program. As the scripture verse reminds us that we are "renamed"; to be given a new beginning is such a blessing. To God be the glory for all that is done in His name at New Life.

We know that none of this can be done without the support that we get from the community of believers who continue to support us, year after year. I would like, on behalf of all who are affected by your donations and support, to say a BIG Thank You!!

We would like to thank all of the amazing volunteers, for cutting and supplying us with wood, for looking after the furnace, (and patiently teaching all of us to use the furnace) for fixing all the little things around the house, cutting the grass, grading the driveway and fixing the lawnmower. Plumbers, electricians, builders, you name it, we have seen you all here this past year. Not to forget everyone who has made a donation, brought clothes, food, gifts and grocery cards throughout the year. We would also like to thank the organizations and foundations that have supported us.

With your help, we have managed to house and assist 7 young women in the program this past year. We celebrated the graduation of two of our students, Karissa and Darya! We had an amazing Kids Camp with a former grad Tat, planning, leading and executing it.

Daily we experience the hand of God at New Life and it is an amazing privilege to do this job. So from all of us at New Life, staff and Board of Directors, we salute you and Praise God for your serving in this way.

Charmaine

*"...GOD sent me to announce
the year of his grace—
a celebration of God's
destruction of our enemies—
and to comfort all who
mourn,*

*To care for the needs of all
who mourn in Zion,
give them bouquets of
roses instead of ashes,
Messages of joy instead of
news of doom,
a praising heart instead of
a languid spirit.
Rename them "Oaks of
Righteousness"
planted by GOD to display
his glory."*

NEW LIFE GIRLS' HOME CANADA
A PLACE OF HOPE AND RENEWAL written by PAT ALI

Never will God leave you, never will He forsake you.
Never alone, *New Life* is the home, though far from your home, where
God's love is continuously poured out in abundance every day.

New Life is a loving place, full of love and passion.

No weapon formed against you will stand, for you are secure in God's mighty hand.
Do not give the enemy a say, with the power of the Holy Spirit you have the strength you
Need to keep him at bay.

Nothing is impossible with God. *New Life* is His flying squad.

Not to get anxious about anything but pray.

No money to buy the big white house on Weller's Bay but with prayer God made a way.
Now 25 years later, *New Life* is still a place of hope and restoration.

Every day *New Life* teaches how to seek His face. Embrace His rich mercy, love and grace.
Eternal life through Jesus Who died for you, His blood washes and blesses with transformation.

Experience a life change that only God can bring about in every dark hour.

Expect the power of the Holy Spirit at *New Life* at any hour.

The precious people at *New Life* encourage and empower
Each one to become more Christ like and grow into a beautiful flower.

Wounds become worship as you walk in God's ways.

When you pray, avoid wavering and you will see God's hand at

Work in your life every day. Lay your worries and

Weariness at the cross, *New Life* would say.

When you fix your mind on Him and pray, He will help you have a better day.

With no funding from the powers of the day, God still provides for *New Life* in very amazing ways.

Listen to God and obey. 25 years ago the vision was clear, the burden was heavy and God's voice and

Larry Snider and others did hear and obey. Go proclaim good news of God's

Love, bind the brokenhearted and let them know that God is here and cares. The

Lord is love and light and He is with you even in the darkest night.

Look, the big white house on Weller's Bay is still a transforming mission. *New Life*
Life is still God's hand extended full of grace and compassion.

It is evident that *New Life* loves the Lord. They have proved to be loving and kind.

It shows in all that they do and say.

Insightful Bible study, counseling and life skills make up the day.

It is all about the Lord, *New Life* would say. Get to know Him in an intimate way.

In everything pray.

Forgiveness always brings freedom and is a must. *New Life* will help clear the dust.

Follow God's Word. When you are hurting, don't lash out and be careful who you trust.

For it is best, in Christ Jesus place your trust. He will help you

Forget and heal all the pain. He will turn them over for gain.

Friend, it is not for you to repay.

Faith in God will keep you from going astray.

Follow the Lord without delay, He knows the way.

Each day is a gift, use it to encourage someone and make their day.

Esteem one another and always pray.

Enjoy and thank God for a victorious stay at *New Life* in the big white house on Weller's Bay.
